

IMAGINE - A VERY SPECIAL TOY SHOP

July 18, 2010

One of the most special children's shops in Amsterdam is without a doubt the toy shop [Imagine](#). This is the place to go if you're looking for that special gift for that unique child, that cute present for that sweet baby, that handmade coat for that lovely girl or that stylish haircut for that cool boy. The collection at [Imagine](#) is ever so special, with lovely retro pieces, a good collection of French and German toys and some delightful Dutch brands (colourful, modern and fun). The staff is amazingly friendly, and will never annoyingly follow you around (not even in the cool basement where the toys for big girls and boys can be found). Truly a delightful shop!!
