

KNUTSEL FRUTSEL, FOR YOUR CREATIVE NEEDS

April 7, 2011

Nooo, this is not a candy store. It's even better! At [Knutsel Frutsel](#) you will find everything you need for your children's art & craft kit - or yours! Filled with the best products, from play-dough to paper, glitter to glue - you'll find it in this shop. And the owners will give you expert advice on how to use the products (or get you inspired with a craft idea or two)! Oh, and if you think you're done browsing and you're getting ready to pay, a happy surprise will wait for you on the other side of the shop: wonderful toys, fun party-bag goodies, and the entire [Schleich](#) collection.
