

## PLAYTIME PARIS

JANUARY 27, 2011

This weekend, from the 29th to the 31st of January, [Playtime](#) will be in Paris. Playtime is now the children's events in Paris - it's always a lot of fun and really inspiring. A number of great brands will be represented, such as [Bobo Choses](#), [Lily and the Funky Boys](#), [Mundo Melicoton](#), [April Showers by Polder](#), [Ada Ada](#)... and lots of other Babyccino Kids favourites .

Such a fun chance to meet up with people, see how brands have developed and discover new and exciting labels. And there is always a great space to take your children to play, and a place to meet up for coffee. Let me know if you are going to be there!
