

## STELLA MCCARTNEY KIDS - NEW SPRING COLLECTION

FEBRUARY 24, 2011

Well... [Stella McCartney Kids](#) have outdone themselves, haven't they? This collection is even cuter than the last! And how fun is their website - scroll over all the little models ([girls](#), [boys](#), and [babies](#)) and they do something fun! Officially, their full Spring/Summer collection doesn't launch until next week on March 2nd... but I'm loving the sneak peek and making my wish list. Which look is your favourite?
