

WIN! FLEXIBATH!!

MAY 9, 2011

We're loving the **Flexibath** in our home. It's royally big once set up (it fits kids up to 4 years old!), but usefully small once folded. It's one of the best baby inventions of the last few years, as far as I'm concerned!

If you think you could use this space-saving baby bath in your bathroom, then you could be lucky! The kind people at **VUP baby** are now giving away one **Flexibath**, in colour of choice, to one lucky Babyccino Kids reader. Just leave a comment below by Monday, May 16th, and we'll pick a winner at random. Good luck!!

This give-away is now closed. Congrats, Marzena!
