

WIN! COLOUR CHANGING T-SHIRT FROM DEERLING

MAY 18, 2011

Here's something for the boys: this [colour changing t-shirt](#) will definitely be a hit! When indoors, it shows merely a vague outline of a tortoise, but once your kid moves in the sunlight, the animal will pop to life in a strong, purple colour. Cool!!

If you know a little boy who will appreciate a t-shirt so magical as this one (or, honestly, a little girl will surely appreciate it as well), then we have great news: the kind owners of NY-based webshop [Deerling](#) are now giving away one colour changing tortoise t-shirt in size of choice (2,3,4 years available) to one Babyccino Kids reader. Just leave a comment below by Tuesday, May 24th and we'll pick a winner at random. Good luck!!
