

THANK YOU!

JUNE 8, 2011

It's been a week since we launched our new [shopping portal](#), and we're only just starting to breathe again! After many months and months of hard work, we were really sweating the launch, like we had thousands of ants in our pants. But thankfully it all went well (and we didn't lose 3 years of content or something scary like that)! A few words of thanks are in place we feel.

First of all, a big thank you to the great boutiques who trusted us enough to dive in deep before the launch. We know the whole concept was hard to grasp before we went live and we are so thankful to the one hundred shops who had the faith in us.

Thank you [Petite Alma](#) for the beautiful designs, and for helping us structure the idea. Thank you Kat, thank you Kirby. And thank you [Sergiu Baluta](#) for the fool-proof programming. You rock!

Thank you, dear blog friends, for the great articles:

@ [Design Mom](#): we love red shoes too. Thank you.

@ [Bloesem](#): so glad you're taking part with Kids Wear Neon. Thanks for the sweet post!

@ [KLT works](#): Thanks for the great write-up! We're thrilled to have you there too!

@ [Coosandahhs](#): Thank you for that great selection. We want more, please!

@ [Urbanmums](#): You really said it so perfectly well!

@ [BozAround](#): We love how you call it 'the future of online shopping'. Wish we had thought of that!

@ [enfantmoderne](#): Merci!

@ [babble](#) (and [Jordan Ferney](#)): thanks for the mention - Jordan we love your new design! Gorgeous!

@ [The Mother Huddle](#): Thanks, Destri!!! Hope to speak soon!

Lastly, but not leastly, we would like to thank you, dear readers, for putting up with these changes, and for supporting us throughout.

Love,

Courtney, Emilie, and Esther
