

PETITE ALMA BIRTHDAY CARD PACKS

JANUARY 13, 2012

Petite Alma have recently launched some new birthday card packs (for grown-ups and for kids) and they're so cheerful and happy and just the perfect thing to have on hand for all upcoming birthdays this year. I love the vibrant watercolour illustrations, the fun greetings on each card, and I'm so smitten with that adorable little mouse on the 'You're a Star' card in the Furry Friends set (above).

So cute!
