

## BENSIMON HI TOPS FROM ELIAS & GRACE

JANUARY 18, 2012

I think I have spent the past three months admiring these [Bensimon hi-tops](#) at [Elias & Grace](#)... and just this week I finally splurged and bought them for my daughter. Don't you just love the blue suede with the purple laces? So fun! There's also a [low-top version](#) with green laces which are equally cute.
