JANUARY 24, 2012

Somehow, over the course of this morning, I stumbled upon four different (!! ) green knitted products. All SO cute, I just had to share...

- Green and white knitted jumper from [Broer en Zus](#)
- Green and white knitted doll from [Dents de Loup](#)
- Lucky Boy Sunday knitted tree from [Thumbeline](#)
- Green knitted teething ring from [Unique Boutique](#)
