MARIE PUCE

MAY 24, 2012

I wanted to tell you a little bit about one of my favourite boutiques in Paris, [Marie Puce](#). It is nestled in a beautiful Parisian street, [la rue du Cherche Midi](#), which is packed with lovely shops. The boutique is a joy to visit: It has a great selection of clothes and

accessorizes, mostly by the boutique's own label. The designs are so French, fresh and lovely. My favourites are the cute [shoes](#), the orange [skirt](#) (it is the perfect orange, not too bright and not too pastel) and for boys the cool little [shirts](#).

If you do not happen to be coming to Paris in the foreseeable future, don't worry, a lot of the [Marie Puce](#) label is also available on-line. I guess it is a bit like a virtual shopping trip to Paris!
