

HARRIET'S HABERDASHERY

JUNE 28, 2012

Harriet's Haberdashery is my new favorite Etsy Shop. This grandmother has got some amazing talent and her little Harriet must be

the happiest girl. Everything is handmade by Gramie Harriet with the utmost attention to details, quality and care. I really wish I could get this [beautiful linen dress](#) for my little Elsie; I love the details from the neon accents to the Peter Pan collar. And this dress isn't the only thing I would love to buy - the [ikat dress](#) is spectacular and so is the [grey linen skirt](#), and I must mention the [Parisian Blouse](#) - it's stunning! If your little one happens to have a Waldorf doll, you might find an outfit or two for her as well.
