

## LIMITED EDITION ART PRINTS FROM MINTED

July 3, 2012

I'm loving the new collection of limited edition [art prints](#) at [Minted](#). Such a sweet and fresh and happy collection. And I love that you can order each print in so many different sizes... from small (5" x 7") to enormous (44" x 60"). There are also prints you can customise by adding your child's initials, names or birth dates. And a whole non-kiddie selection too! I like this pretty [Highway Wildflowers](#) print, and I would love to stare at this [Rooftops of Paris](#) print all day and pretend it was *really* the view out my window!
