

BLANCA GOMEZ, A LOVELY ILLUSTRATOR

SEPTEMBER 26, 2012

I really adore the work of the talented illustrator and designer [Blanca Gomez](#) of [cosas minimas](#). Her illustrations are clean, colorful and elegant and lovely for a child's room. And her city illustrations are just amazing!

Community on HeadSpin I am thinking of getting the London person. I think it will add a very personal touch to our home in the walls.
