

CUTE CASPER, WEARING A KNITTED 'HOOD HAT'

NOVEMBER 27, 2012

Oh my goodness, I just had to share this cute photo of darling Casper wearing the little knitted [hood hat](#) I knit for him. Isn't he adorable? Esther just posted it on her [Instagram](#) feed, and it made me so excited to see the little hat 'in action' that I just had to share it with you.

xx Courtney

p.s. The knitting pattern for the hat is [here](#).

p.p.s. Esther is coming to London in a couple weeks with baby Casper and I am so excited to introduce baby Marlow to sweet baby Casper. (We're already planning their future marriage!) hehe...
