

## TOCOTO VINTAGE

DECEMBER 4, 2012

Today, I would love to share with you a spanish brand that I really love: [Tocoto Vintage](#). Everything is so sweet and delicate. Maybe because they re-use old patterns, or maybe because of the lovely dusty colours of the collection: grey, soft pink, taupee. What is for sure is that when you see these clothes, you love them!

Aren't they adorable? I especially like the star found in every garment, because I love Stars!. And I love [Tocoto Vintage!](#) If you want to know where to buy these lovely clothes, you can contact them and they will write back to you with your closest shop!
