

## LA LANGERIE, A DELICATE COLLECTION FOR NEWBORNS

DECEMBER 6, 2012

The lovely ladies at [La Lingerie](#) sent one of their gorgeous [swaddle blankets](#) for baby Marlow and it's become one of our favourite blankets. I love the soft, gauze-like material, and the fact that it's so generously sized - perfect for swaddling and breast feeding and snuggling and all sorts of other things (I read on their website that it can also be used as a towel, and I believe it because it's such a nice thick material!). [La Lingerie](#) also sells pacifier clips, bibs and lovely fragrances. So gorgeous and so French!

PS - See below, a photo of Marlow wrapped up in her 'La Lange' swaddle blanket. (She's clearly very content in it!) xx
