

BABY TOYS BY MASTRO GEPPETTO

DECEMBER 10, 2012

The lovely Jenny from [LMNOP Magazine](#) sent the sweetest little gifts for baby Marlow, all beautifully wrapped and washi taped. One of the gifts was this little wooden [heart-shaped teether](#) by the Japanese brand, [Mastro Geppetto](#). It's amazing how beautiful something so little can be. A baby teether, but really a gorgeously crafted little piece of art. So sweet!

The Mastro Geppetto toys are available at [ePloof](#).
