

PEAS AND QUEUES

DECEMBER 11, 2012

I just came across [Peas and Queues](#), a gem of a children's line made right here in Los Angeles. We are having an Indian Summer so it wasn't a stretch to buy this [cheerful dress](#) even as we move into the colder months. The silhouettes and bold patterns are perfect for your little adventurer but classic enough that I actually wish a few were in my size! I'm looking forward to seeing more from this whimsical brand.

Peas and Queues is offering Babyccino readers a 15% discount now through the end of the month. Please use **BABYCCINO15** at

checkout.
