

HANSEL FROM BASEL - SOCKS, TIGHTS & LEGGINGS

JANUARY 4, 2013

How fun are these [tights and socks](#)?! Ivy would love them all! They're part of the first children's collection by the LA-based designer, [Hansel From Basel](#). I love the fun colours and playful designs. What a fun way to accessorise! (Available from the magnificent [Minikin](#) boutique.)
