

BABYDELI: A REALLY NICE PLACE IN MADRID

MARCH 26, 2013

Today I would love to share a very charming shop in Madrid: [Babydeli](#). Well, it is not only a shop, but a place with lots of things going on. They have food, toys, books, you can celebrate your birthday, and there are also very interesting workshops taking place every week. Located in the very heart of Barrio de Salamanca in Madrid, we always go if we are visiting.

3. COVINGTON ON EDO as Parking for and also having a healthy snack!
