

KIDS AND THE CITY

May 23, 2010

If you have any spare time between the 3rd and 5th of June and happen to be in Paris, do check out the children's fair [?Kids in the City?](#) on rue Francs Bourgeois in the 3rd. The fair was put together by the lovely Estelle who also runs [Nordinary](#) - one of my favourite webshops here in France.

She has managed to group together some of the best and innovative brands in France and all will have a little stand at the fair, some with collections designed exclusively for the event. You will also be able to pick up some yummy cupcakes and some bonbons from my favourite sweet shop [Le Bonbon au Palais](#).

I am really looking forward to discovering lots of new companies, many of whom I have never heard of.

See you there!
