

YOGURT CAKE

- 1 yogurt
- 2 yogurt cups of sugar
- 4 yogurt cups of flour
- 1 packet of baking powder
(approx 2 teaspoons)
- 3/4 yogurt cups of vegetable oil

Mix all the ingredients together, cut up the apple, stick the mixture and the apple into a round cake tin, bake it at around 180° for approx. 30 min until it is nice and brown and firm, and voila– the flat will smell great and your family will love you!
