Rhubarb Compote:

- 2 kilos of rhubarb
- 600g caster sugar
- a vanilla pod

Cut the rhubarb into rough chunks and place in an oven proof dish. Cover with the sugar and the seeds from the vanilla pod. Cover with foil and bake in the oven at 190° (gas mark 5). For a saucier version bake for 1 - 1.5 hours, and for a jammier consistency leave in for up to 2 hours.
