

OUR KIDS' FAVOURITE TOYS

NOVEMBER 18, 2010

Can you believe we have less than 6 weeks until Christmas? Where did this year go? Suddenly it's time to start thinking about holiday gifts! So... with the countdown to Christmas now on, we thought it would be a good idea to do a series on our kids' favourite toys - the toys they play with every day, the toys that have lasted years and years, the ones they always go back to despite receiving something new...

So, if I had to pick one toy from my kids' playroom, their absolute favourite toy of all time, it would have to be their collection of [Schleich Animals](#) . My boys take their Schleich animals with them into the bath, into their beds, to school in their coat pocket, to the park, to the beach, etc. etc. We always have at least a couple animals with us at all times, be it a [dinosaur](#) , a [sea creature](#) , or a [farm animal](#) ...
