

FRESH CAKES DELIVERED TO YOUR DOOR

JANUARY 15, 2011

Oh how I love macaroons, especially chocolate ones! They're one of my many favourite things about visiting Paris. So imagine my delight when I learned about [La Dinette](#) - a cake delivery company in London set up by a French pastry artist. La Dinette delivers fresh cakes, macaroons, tarts, and cupcakes straight to your door - perfect for birthday parties, brunch with friends, or just to satisfy your sweet tooth. I have personally tested the macaroons and cupcakes... and they're delicious! Visit [La Dinette](#) for products and prices.
