

MICRO STEP - (NOT JUST) FOR KIDS!

MARCH 1, 2011

We're all big fans of the [Micro Steps](#) here at Babyccino (I think we all have them for our children) - Mo was the last one to rave about them [here](#). So, about time to understand what the kids are talking about and try out the grown-up [Micro White](#) myself! And... although a little bit scary at first (I could hardly keep up with my kids) I did quite enjoy myself! It's still a bit cold here in Amsterdam, but I'm thinking I will use mine loads as soon as it gets a bit warmer - such a great way to keep in shape and a welcome change from the (here in Amsterdam) ubiquitous bicycle!
