

## A VIDEO INTERVIEW WITH ALEXANDALEXA!

MARCH 12, 2012

The team from [AlexandAlexa](#) came over to my house recently for a little interview (!! ) about the children's fashion world. They wanted to know about Babyccino Kids and how it started, and about how online shopping has shaped the way mums can buy for their kids. They also asked what sort of considerations I make when buying clothes and toys for my kids and to share some of my favourite [brands](#) from the [AlexandAlexa](#) shop.

So.... I got to put on a bit of make-up (a *real* make-up artist came over!) and I sat down for a bit of q&a. It was a fun afternoon! I'm slightly nervous about sharing it with all of you - it's a bit like hearing your own voice on a recording machine - but if you're interested, you can watch the video [here!](#)
