

ORGANIC LONG UNDERWEAR FROM GOAT-MILK

OCTOBER 15, 2012

In preparation for winter, I've recently bought my kids some organic long underwear from [Goat-Milk](#), which is turning out to be one of my favourite new brands. I love their [underwear](#) and [tanks](#), and now I can't get enough of the [long underwear](#) - it's perfect for layering under regular clothes on chilly days, or just simply wearing around the house. Cosy! This past weekend I managed to sneak a photo of all the kids in their matching sets, being silly on my bed...

p.s. Goat-Milk DOES deliver to Europe, you just have to [contact](#) Tania directly to place your order.
