

## VELVETEEN, A PRETTY COLLECTION AND NOW ON SALE!

JULY 2, 2015

**Velveteen** is a brand we've known and loved for a long time. Each season we make sure to check out their upcoming collections at **Playtime**, and we've enjoyed watching this brand grow over the last few years, getting better and better each season. Their current Spring/Summer collection is definitely our favourite one yet! How pretty are all the colours and fabrics?! I love that the boys' collection is just as nice as the girls', with cute **shorts** and **tees** that are both simple and stylish.

I've just noticed that the Velveteen summer sale has started and all the pieces are now 40% off! A perfect excuse to pick up some summer pieces for the warm months ahead.
